## How to book:

Phone us on 9875 1123, to ask for a "Women's Health Check" appointment. We will post a detailed health questionnaire to complete and return prior to your appointment.

The health check takes approximately 1¼ hours. Appointments are available in designated times including some Saturdays and Sundays, for your convenience.

## Information Sheet

Please take a few minutes to read this document – it may improve your health!

Blackburn Clinic has developed a health program specifically designed for women who wish to do something about improving their health.

The Women's Health Check is much more comprehensive than a standard gynaecological check. Our preventative philosophy aims to identify risks and put strategies in place to prevent ill health.

If a health problem exists, by detecting the problem early, we can aim for better management of the problem, thus minimising complications.

## The cost?

Mon–Fri appointments = \$150 GAP.  
Weekend appointments = \$170 GAP.

Patients may pay in full, or may choose to pay only the gap amount on the day. Appropriate Medicare item numbers will also be billed, and unless full payment is made, Medicare will send a cheque to the patient (made out to the doctor), which must be returned to Blackburn Clinic.

## Cancellation Fee:

Patients who fail to attend, or to provide at least 48 hours notice of cancellation, will be charged a cancellation a \$70 fee (unless the clinic is able to rebook this appointment).

## A whole body checkup comprising:

- a detailed heart risk evaluation
- an ECG
- respiratory assessment
- diabetes check
- a fitness test (wear loose clothing)
- skin cancer check
- eye check
- hearing screening test
- breast & cervical screening check when appropriate
- risk evaluation.
